Doctors or Medical
centres

Recommended by
Media Partners

NB: The patients with Insurance cannot avail this service

The Process

The patients in need of the surgery can consult the surgeon at Naseem Surgical Centre

After being diagnosed by our Doctors, the patients can discuss their affordability.

Upon assessing the need, The Doctor will direct the patient to the Coordinator for detailed assessment and counselling and to secure approval from the approval committee.

The coordinator will be informed about the financial aid eligible by the approval committee.

Finally, The patient gets admitted for surgery availing the financial aid.
